Confidentiality Policy

How WW Analysis Limited protects the confidential information of its clients and partners.

1. Scope

This policy applies to all non-public information that clients, partners and collaborators share with WW Analysis Limited in the course of an engagement, including data, documents, drafts, commercial terms and correspondence (“confidential information”).

2. Use

We use confidential information only for the engagement for which it was provided.

3. Disclosure

We do not disclose confidential information to third parties without the consent of the party that provided it, unless the information is already public or disclosure is required by law. We share it within an engagement only with the people who need it to carry out the work, and we ask collaborators and subcontractors who receive it to keep it confidential.

4. Publication

We publish reports or other work prepared for a client only with the client's agreement.

5. Storage and return

We store confidential information securely. At the end of an engagement we return or delete it on request, except where we must retain records by law.

6. Contact

Questions about this policy may be addressed to ww.analysis.uk@gmail.com.
